DW-15	BLANK	N/A	< 5 µg/ft ²	N/A

Mathews County, EBLL case

**Bay Aging
Program Provider**

The background of the entire slide is a solid blue color. In the center, there are white silhouettes of two families. The family on the left consists of a man carrying a baby on his back, a woman, and a young girl. The family on the right consists of a man, a woman, and a young girl. All the silhouettes are holding hands, forming a continuous line across the middle of the slide.

THANK YOU
